## Who we are

**EuroCollectNet** is an association of European lawyers who offer a comprehensive service for the effective collection of debts throughout Europe.

**EuroCollectNet** acts as a specialist group for international debt collection. Only one lawyer in each country has been selected for membership to ensure quality control within the network.

These lawyers are also members of law firms and various regional and international networks to provide reliable services for other legal issues.

The members of **EuroCollectNet** act for banks and financial institutions, insurance companies, collection agencies, public authorities, private companies, accountancy firms, insolvency practitioners and other clients requiring an effective legal debt recovery service throughout Europe.

## What we offer

A uniform service for the collection of debt in all European jurisdictions.

- demands for payment
- court action
- obtaining judgements
- enforcing judgements

Members of **EuroCollectNet** will

- analyse the clients problems and suggest a strategy to meet their requirements
- be professional and efficient at all times
- offer a high level of services

All members of **EuroCollectNet** are reputable specialist lawyers in their jurisdiction with extensive debt collection experience.
